

Welcome to Highcliffe's
Year 2 SATs' meeting.

Reading

[click to see all text](#)

The Reading Test consists of two separate papers:

- **Paper 1** – consists of a combined reading prompt and answer booklet. The paper includes a list of useful words and some practice questions for teachers to use to introduce the contexts and question types to pupils. The test takes approximately 30 minutes to complete, but is not strictly timed.
- **Paper 2** – consists of an answer booklet and a separate reading booklet. There are no practice questions on this paper. Teachers can use their discretion to stop the test early if a pupil is struggling. The test takes approximately 40 minutes to complete, but is not strictly timed.
- The texts will cover a range of poetry, fiction and non-fiction.

Mathematics

Children will sit two tests: **Paper 1 and Paper 2:**

- **Paper 1: Arithmetic** - lasts approximately 20 minutes (but this is not strictly timed). It covers calculation methods for all operations.
- **Paper 2: Reasoning** - lasts for approximately 35 minutes, which includes time for five aural questions. Pupils will still require calculation skills and questions will be varied including multiple choice, matching, true/false completing a chart or table or drawing a shape. Some questions will also require children to show or explain their working out.

How to Help Your Child

- First and foremost, support and reassure your child that there is nothing to worry about and that they should always just try their best. Praise and encourage!
- Ensure your child has the best possible attendance at school.
- Reading, spelling and arithmetic (e.g. times tables) are always good to practise.
- Talk to your child about what they have learnt at school and what book(s) they are reading (the character, the plot, their opinion).
- Make sure your child has a good sleep and healthy breakfast every morning!

How to Help Your Child with Reading

Listening to your child read can take many forms:

- First and foremost, focus developing an enjoyment and love of reading.
- Enjoy stories together – reading stories to your child is equally as important as listening to your child read.
- Read a little at a time but often, rather than rarely but for long periods of time!
- Talk about the story before, during and afterwards – discuss the plot, the characters, their feelings and actions, how it makes you feel, predict what will happen and encourage your child to have their own opinions.
- Look up definitions of words together – you could use a dictionary, the Internet or an app on a phone or tablet.
- All reading is valuable – it doesn't have to be just stories. Reading can involve anything from fiction and non-fiction, poetry, newspapers, magazines, football programmes, TV guides.
- Visit the local library - it's free!

How to Help Your Child with Writing

click to
see all
text

- Practise spellings! You already have a copy of the Year 1 and Year 2 common exception words: please ask if you need another. There are also useful word lists in your child's reading diary.
- Encourage opportunities for writing, such as letters to family or friends, shopping lists, notes or reminders, stories or poems.
- Write together – be a good role model for writing.
- Encourage use of a dictionary to check spelling.
- Allow your child to use a computer for word processing, which will allow for editing and correcting of errors without lots of crossing out.
- Remember that good readers become good writers! Identify good writing features when reading (e.g. vocabulary, sentence structure, punctuation).
- Show your appreciation: praise and encourage, even for small successes!
- We have prepared a Writing Mat pack for you to take with you tonight. There are three mats, and the one headed Expected Year 2 is the correct level for the year group.

How to Help Your Child with Maths

- Play times tables games.
- Play mental maths games including counting in different amounts, forwards and backwards.
- Encourage opportunities for telling the time.
- Encourage opportunities for counting coins and money e.g. finding amounts or calculating change when shopping.
- Look for numbers on street signs, car registrations and anywhere else.
- Look for examples of 2D and 3D shapes around the home.
- Identify, weigh or measure quantities and amounts in the kitchen or in recipes.
- Play games involving numbers or logic, such as dominoes, card games, draughts or chess.

At Highcliffe, SATs are used to inform teacher judgements and are only part of our final assessments. They are marked internally by the teachers, which is quite different to KS2.

Here we treat them as low key as possible, and always refer to them as quizzes to the children. We would appreciate you doing the same.

For your information, the dates of the 'quizzes' are as follows: -

Reading paper 1 – Tuesday 8th May

Reading paper 2 – Tuesday 15th May

Maths paper 1 – Wednesday 9th May

Maths paper 2 – Wednesday 16th May

You will receive further confirmation of these dates nearer the time.

Any questions, please ask, and don't forget to take the Writing pack and your copy of this presentation.

THANK YOU FOR COMING.
